

TEST REPORT 7559A

Purpose: To show conformance of Parco ethylene propylene compound 5601-70 revision W, to the requirements of ASTM D2000 M4AA710 A13 B13 EA14 F17 Z1. Reference Lab Request 1956.

Sequence: Tests as listed in specification.

Table with 5 columns: Sec. of Spec., Physical Property, Requirements, Result, ASTM Test Method. Rows include Original Properties (Hardness, Tensile strength, Ultimate elongation), Heat Aging (A13), Compression Set (B13), Fluid Aging (EA14), and Low Temperature Property (F17, Z1).

Conclusion: Parco ethylene propylene compound 5601-70, revision W, meets the requirements of ASTM D2000 M4AA710 A13 B13 EA14 F17 Z1.
